I WISH…

vol.12 류의

서현주

That means...
...K is sick because he granted someone two wishes?
cafe.daum.net/rigoletto
Yes. It's more tedious than expected. That's why I wanted to ask you for help...
The furniture in your home is pretty old fashioned
What can I do? It's Wye's style. But I agree. It's not really a furniture fit for newlyweds!

newlyweds...
True, Wye and you get married...
Just to imagine those two as cute bride and groom...
Anyway It's all because K's so kindhearted. There are so many conditions to fulfill a wish...
If he isn't careful it might end really badly for him...
conditions ...?
You're talking about him dying when he accepts a wish he cannot fulfill?
cafe.daum.net/mioletto/
(winnie.joo@hanmail.net)
Yeah. And he'll also die if he doesn't take good care of whatever he gets for granting a wish.
Moreover he's so occupied with granting wishes that he's not able to implement his own dream.

cafe.daum.net/rigoletto
(winnie.jaa@hanmail.net)

I'll beat you up if you won't become a magician!
What a psycho..
So that's why K always pulls a face when someone is talking about his master..
But...

... everytime someone talks about K's master...

...it really reminds me of my big brother...

cafe.daum.net/rigoletto
(winnie.jo@hanmail.net)

Lil' Sis
I absolutely think that you should give me your ticket to Hawaii!
The fuck? No way! The one flying to Hawaii with Mum and Dad will be me. Besides you have too much of a cold to actually travel!
Why the hell did my uncle only send 3 tickets anyway?
He should have sent four
cafe.daum.net/rigoletto
(winnie.jo@hanmail.net)

Pah! I'll beat that cold in no time! Alone the anticipation...
cafe.daum.net/mgoletto
(winnie.joo@hanmail.net)
is enough...
Achoo!
Ha! There! Forget it!
Okay, then...
What?
...I'll just pass that cold over to you!
cafe.daum.net/mgoletto
(winnie.joo@hanmail.net)
KISS
Waaah! You pervert!
That was my first kiss!
MUM! DAD!

And he actually managed to do just that. I became sick and had to stay in bed. He, however, got healthy again in no time...
Uuuh...
I hate you! I...
...hate you!
Well, well... at least I'll gladly take your place!
Boo! As for me that damn airship can explode with you inside!
cafe.daum.net/rigolettn
(Winnie : charmalli.net)
And somehow... I imagined that his hand trembled a little bit...
I don't know... what face he made back then or even what he felt...
...and I will never know it since he really died after that.

It was my master s hobby to cully the people he liked
K had to expenence that the hard way too
My brg brother was the same ever since he wassmall
cafe.daum.net/r gale
Ouch What the hell!
Mum! Dad! He s picking on me again!
Because you re so cute!
What?
So I thought I was the most beautiful girl on earth Until I was disabused
Mirror mirror on the wall Who is the cutest of them all?

When I got into elementary school I should soon find out who actually was the most beautiful

Hello, Jin! Nice to meet you. May I be your friend?

You're big brother is called Lyu-Ui, right?

Huh? Yeah

I'm so popular. Maybe because I'm so beautiful?

What does your brother like? What's his favorite food? Which colour are his pajamas?

Please tell your brother that I love him.

His name is so special. What does it mean?

The girls at my school are totally nuts! What the hell do they want from my brother?

How am I supposed to find a real friend like that?

cafe.daum.net/ringololtp
(winnie.joo@hotmail.net)

Even my first big love Sil Jang
Jin, here's a valentine's present
Could you please give it to your brother?
Bag full of presents
Why is everyone asking me this favour? Do I look like your postman?!
cafe.daum.net/rgaetto
(winnejaa@hanmail.net)
Holy! Those are alot! Did you stick all of your girlfriends on it?

http://cafe.daum.net/ricoletto (winnie0628@hanmail.net)

For sure! In my past life I was an Arabian sultan!
You need to choose one of them!
cafe.daum.net/ricoletto (winnie0628@hanmail.net)
Then I'll choose you!
Hey! Stop that!

And then he died...
Say, Dee... You brought Wye back to life with your magic, didn't you?
Yes, why...?
Then...
...would you be able to revive someone else as well?
That s not possible, darling.

Ah! my dear husband is back!
But... why not?
In my case I was revived before my soul fully left my body
It's not that simple if people died a long time ago
Besides your parents are in heaven.
I can still forsee a bit, so I know I think they wouldn't enjoy getting snatched away from paradise to be brought back to life
And what about my brother? Did he actually manage to get into heaven as well?
café daum.net/r gazette
(winn ejan@hanmail.net)
Uh
I guess

So you should give up on reviving someone who's already dead!
You don't actually plan to ask K for that? It's above his abilities. It would be useless to adress such a wish to him.
I know. When I met him for the first time I already asked for it. He rejected me already.

(winnie_s@hanmail.net)

But certainly you will ask him to grant a wish sometimes won't you?
Any idea what you might wish for?
Huh? No not really at the moment

스윽
cafe.daum.net/rigolatto
(rigolatto@hanmail.net)
W What are you doing?
I just told you that I kept some of my foreseeing even though my powers dissapeared So I should be able to
your future wish
I wish

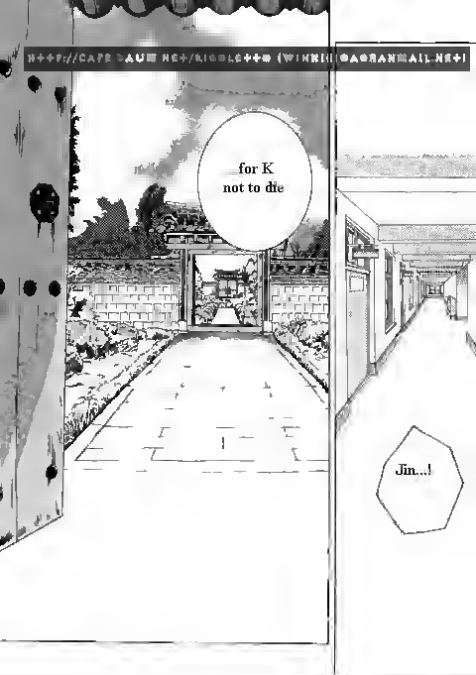
You can see what I will wish for? Please tell me Then I ll meet with K immediately and ask him for it
Oh, great magician K, I wish, I wish for
No, I cannot see it

Well! Looks like I'm getting old
...making doesn't help either...
I have a question for you, child.
cafe.daum.net/jr goletto
(winnie.jo@hanmail.net)
Yes?
Sometimes when he's all bitchy again I'd love to beat him up, but...
Do you...
have come to like K a little ?
...nonetheless... he's actually quite nice and...
well.. yeah I guess you could say that I've come to like him a bit
cafe.daum.net/jrgolett
(winnie.jo@hanmail.net)

Is that true? Then promise me one thing!
When you ask K to grant your wish
...then don't forget just how much you've come to like him until that moment
...
I don't really get what you mean... But okay, I'll promise it.

Sweet
...You're a nice child.
Take this medicine. Dee made it
Then K should recover quickly
Thanks a lot! I'll leave then
Don't forget

Y-Yes...
cafe.daum.net/ripletto
(winnie.joo@hanmail.net)
You look apprehensive. What did you see?
...your promise!
She wished...



for K
not to die
Jin...!

Let's go eat I'll pay
What's the matter Jeong Hwa Seo? I thought you didn't wanna associate with me anymore?
I'm so sorry I can't live without you! Please forgive me
Hmpf Well okay
I'll forgive you! But in return I demand two dishes
Btw, is that guy still bothering you?
Ah.. he wasn't quite right in his mind back then. But he's fine now!
oate.daum.net/higglet10 (wennie_jo@hanmail.net)

Well
He was pretty
hot
Oh really?
Want me to

Do I know

Go ask um what your brother wished for and what he got for it in return!

He wished for something? What does that mean?!
Jin....

What kind of reaction is that?!
Strange guy... I was so sure he'd be a womanizer...

when in truth he doesn't let any girl get close to him.
Oh?
cafe.daum.net/rigoletto

He must have really believed that you were gay
Lucky me I had no clue how to get rid of him this time
I can't be as good as you
But that's really my beloved!
Very cute isn't he!
Stop that shit
Why are you rejecting everyone? The guy before wasn't that bad

Everyone I've grown to love has died
I will die when I'm 20

Stop making fun of me! I'm being serious!
Me too. I will really die when I'm 20.
Am I supposed to believe that...?
Don't talk such bull. Go to remediation! I'll go home now.
Why the fuck are you following me all the time?
I don't care for remediation. I wanna go home
It just happens to be the only way home
Then why do you have to take this way?
I should move out so I won't have to see him anymore!

That's safety margin, idiot!
So what?
Noone will get close if both of my hands are full
This way I'll always have 30 cm distance
That prevents people from becoming emotional and hugging me or taking my hand
Because both of my hands are full!
So stop walking beside me!
Give me one of your bags!
Don't walk beside me!

Don t bother
It isn t heavy
That s not the reason I forgot my bag at school I want something to play with too
So what? That s not my problem!
Can I at least pull out one hair?

Fever, weariness, sore throat, coughing...
Oh, and let's not forget dizzy.
Where could that come from? Because I fulfilled someone's wishes? I thought Doc's medicine concealed that.
